UDI'S SIGNATURE COCKTAILS

MILE HIGH MANHATTAN [8]

A slight twist on a favorite classic. Beam Rye Whiskey, Sweet Vermouth, Lillet Rouge, Fee Bros. Bitters, shaken and served up with house cherries.

GRAND POMEGRANATE [8]

A nearly magical drink that is the perfect balance of sour pomegranate and lime with just the right amount of sugar and Pearl Pomegranate Vodka. Shaken and served up.

OLDE TOWN MARGARITA [7]

A true tequila blend that will transport you from Olde Town Aravada to an olde town in Mexico. El Jimador Blanco Tequila, fresh lime juice, triple sec. Served on the rocks with salt.

HOW'D YOU DO? [8]

A new sweet, easy drinking beverage invented for (but not limited to) the hard working ladies in our life. A secret blend of fruit liquors and vodka. Mmm...

GRAPEFRUIT ROSE FREEZER [8]

A chef-developed drink, this is an amazing, slushy-style drink. Made with grapefruit granita, vodka, and rose sparkling wine.

UDI'S FAMOUS BLOODY MARY [6]

A house-infused vodka and house-made bloody mary mix combined to wow your palate.

COLORADO CLASSIC MARTINI [9]

The original martini colorado style. Silver Tree Vodka or Cap Rock Organic Gin with a touch of dry vermouth. Shaken well and served up with hand stuffed bleu cheese olives. Both liquors made in Colorado.
